MD. Refayet Ullah Siddique

Education

BACHELOR OF SCIENCE IN COMPUTER SCIENCE & ENGINEERING
Chittagong university of Engineering and Technology (CUET), Chittagong, Bangladesh
Year of Graduation: 2024

Work Experiences

Echologyx Ltd. (UK & USA Based)

Software Engineer L3   July 2022 - Current

- Developed **700+ resilient experimentation** scripts using HTML, SCSS, JavaScript, and Shopify Liquid, enhancing client **website performance by 30%.**
- Implemented scalable e-commerce functionalities for **over 10 clients,** leading to a 40% enhancement in user experience and **35% higher transaction rates.**
- Delivered expert insights as a **CRO developer and Shopify specialist, contributing to a 15% improvement** in client project outcomes.
- Collaborated with **international clients from Germany, the UK and the USA** on diverse web development projects.

Achieved seamless project delivery by **managing a team of developers as a Line Manager**.

Bytecode Technology Ltd

Solution Engineer (Contract role)   Feb 2021 – Jun 2022

- Contributed to dynamic web apps for pharmacies and multi-vendor marketplaces.
- Built responsive UIs with React, Redux, and Tailwind CSS.
- Worked on backend integration with Node.js, Express.js, and Socket.io.
- Assisted in deploying scalable apps on AWS.

Projects

🔗 Shopify Theme Development
- Developed and customized Shopify themes for **multiple clients (Hoffmann, Luamaya, Vetevo, SNOCKS, Ninety Percent etc.),** enhancing user experience and performance.
- Implemented responsive and conversion-optimized designs using **Liquid, HTML, CSS, and JavaScript.**
- Integrated third-party apps and APIs to extend Shopify functionality.
- Optimized **site speed and SEO** for better visibility and performance.

Tech Stack: **Liquid | HTML | CSS | JavaScript**

🔗 HRMS – Human Resource Management System
- Developed & contributed to an advanced HRMS streamling HR processes, employee management, and payroll
- Designed and built a **responsive UI using React.js** for an intuitive user experience
- Integrated backend with **AWS services (Amazon S3, CloudFront)** for secure storage & fast content delivery

Tech Stack: **React.js | AWS (S3, CloudFront) | JavaScript | HTML5 | PWA**

Projects

🔗 JIRA Analytics Dashboard

- Designed and built an intuitive, interactive UI for data visualization.
- Integrated JIRA API to fetch real-time ticket data across multiple projects.
- Developed various analytical reports, including development cycle time, QA cycle time, issue tracking, and team output.
- Implemented data-driven decision-making features using charts, graphs, and tabular reports.

Tech Stack: **Node.js | Express.js | Apex Charts | React.js | Jira API**

🔗 GDM – GitHub Download Manager

- Developed a smart file/folder downloader for **selective access from GitHub repositories**
- Eliminates full repo downloads, saving time & bandwidth for developers and designers

Tech Stack: **Node.js | Express.js | GitHub API | JavaScript**

🔗 QuizFlix – Video Learning & Quiz Platform

- Developed an interactive platform for video-based learning & quizzes using **React & Firebase**
- Implemented secure **user authentication with Firebase Authentication**
- Designed a quiz system with **real-time performance reports** for user assessment
- Built a fully **responsive UI** optimized for all screen sizes

Tech Stack: **React.js | Firebase (Firestore, Authentication, Hosting) | Context API | CSS**

Technical Skills and Interests

Frontend Development: JavaScript, React.js, Tailwind CSS, Material UI, Bootstrap
Shopify Development: Shopify Liquid, Theme Customization, A/B Testing (ABlyft, Kameleoon, Convert, VWO etc.)
Backend & API Development: Node.js, Express.js, REST APIs
Cloud & DevOps: AWS , Firebase
Database Management: MySQL, MongoDB
Version Control & CI/CD: GitHub
Web Performance Optimization: Page Speed, SEO, Lazy Loading
Testing & Experimentation: A/B Testing, Conversion Rate Optimization (CRO)
Other Tools & Technologies: HTML5, SCSS, Progressive Web Apps (PWA) , Apex Charts, Jira API

Key Skills

Software Development | Web Development | Shopify Theme Development | A/B Testing | Conversion Rate Optimization (CRO) | Ecommerce | Frontend Development | Software and Application Design | System Migration and Integration | Technical Architecture Design & Development | Cross Browser comparability | Spring & Agile methodology | SDLC Project delivery | Continuous integration and Project management

Certifications

Google Analytics 4(**Skillsoft**) | 2024 | Advanced Shopify Theme Development (**Udemy**) | 2023
The Complete React Course (**PONDIT**) | 2022 | The Complete JavaScript Course (**Udemy**) | 2021
Programming Foundations with JavaScript, HTML, and CSS (**Coursera**, with Honors) | 2020
